Dear Parents/Carers

It has come to our attention that there was an incident in the Central Road area yesterday afternoon during which a man allegedly was seen to be holding a small knife by passers by. The Police were called; they are managing the situation and, as a precaution, will maintain an increased presence in the area over the next few days.

While we do not want to worry pupils inadvertently, we will make pupils aware of the situation and remind them of steps they should always take to keep themselves safe. In particular, it is important that they do not approach this man or make any actions or comments that might aggravate or alarm him.

We would be very grateful if you would discuss the contents of this letter with your son/daughter and reinforce this safeguarding message.

Yours sincerely

Ms S F Spivey
