

11th July 2017

Dear Parent/Carer

Re: Year 10 GCSE Mathematics Homework textbook

As your child embarks on their Year 10 GCSE Mathematics course, they will be expected to complete some of their homework tasks from a specially designed homework textbook.

We will issue these books at the start of Year 10 alongside your son's/daughter's homework exercise book and a protective folder for transporting these items to and from school and lessons.

Given that we have been fortunate enough to fund these books, we ask for your support in ensuring they are well looked-after by your child and are kept easily accessible in order to effectively complete homework tasks on time.

Should the book issued to your child be lost or damaged, we would ask for a contribution of £8.50 towards a replacement copy so that pupils in future year groups may be afforded the same standard of resources for their GCSE Mathematics course.

Please may we ask that you acknowledge this information by signing and returning the slip below via your child's Maths teacher.

Yours sincerely

Mr W Wharton
Deputy Headteacher
