

07 November 2025

Dear Year 10 Parent/Carer

Re: Key information about work experience, 13 - 17 July 2026

We are writing to provide a summary of work experience information, especially for those who were unable to attend the information evening.

The slides from EBP giving all the information can be found [here](#).

Pupils can choose either the 'own placement' route or the website route.

The form to set up an own placement is [here](#). Hard copies are available from Mrs Millar in the Exams Office.

EBP will add employers to the website over time, so it is worth checking back regularly to see if any new placements have appeared.

Best wishes

Ms Burden
