

8 February 2022

Dear Parent/Carer

Re: COVID-19 Vaccination Programme for Children

The School Age Immunisation Service (SAIS) are offering children aged 12-16 years (please note this applies to Year 7 children who are 12 years old on/by 17 February) a COVID-19 vaccination (first or second dose) at Springfield School on Thursday 17 February 2022.

The SAIS is the primary provider and legally responsible for the delivery of the vaccine. No vaccines will be given at the school without valid parental consent being received by SAIS.

The school will shortly be forwarding information, including a consent form, from the SAIS to parents/carers. We appreciate this is an important decision to make as a family, so please read the information through carefully with your child. The school will provide a hard copy of the consent form to pupils.

Please take care to complete the consent form accurately and in full, as errors or omissions on the form may prevent your child from receiving the vaccination on the day. Please indicate your child's tutor group in the 'Class/Year Group' box.

Forms are to be returned directly to the school's Reception please before 9am on 15 February 2022.

If you have any questions, please contact the SAIS on 0300 123 3390 or via:
hsiccg.covid.vaccination.enquiries@nhs.net

Yours sincerely

Mr J Wilburn
Deputy Headteacher
