Dear Parent / Carer

**Re: Half-Term Break (15th-19th February)**

The Department for Education confirmed in its official message to schools yesterday afternoon that schools will close as usual over the February half-term. Therefore, there will not be onsite provision for vulnerable children or the children of critical workers during that week. Despite the current lockdown and other restrictions we hope that pupils, their families and staff will be able to enjoy the break and find some time for relaxation.

At this point we have no further information regarding when pupils may be able to return to school. As soon as we do, we will update families.

In the meantime, I would like to take this opportunity to encourage our pupils to continue to engage actively with their remote learning during term time. We have been very impressed so far by the commitment shown by the majority of our pupils - well done to those pupils for their hard work!

Yours sincerely
