

5 June 2026

Dear Parent/Carer

We would like to extend an invitation to you for the upcoming 'PACE Parenting - Neurodiversity Parent Hub' event organised by Portsmouth Parent Voice (PPV). This event will take place at Springfield School on Tuesday, 25 June 2024 at 5pm. The 'PACE Parenting' presentation will be an opportunity to find out more about what PACE is and how this approach can support your children in and out of school. PACE was developed by Dan Hughes more than 20 years ago as a central part of attachment-focused family therapy. Its main aim is supporting adults to build safe, trusting and meaningful relationships with children and young people by paying attention to how we communicate messages to them. The presenter, a specialist in this field, will be willing to answer questions and give advice throughout the presentation.

For your convenience, the attached poster contains all the details regarding the event.

We anticipate that this will be a popular event and ask that if you are intending to attend, please complete the following form by Thursday, 20 June: <https://forms.gle/h6fBLornU1XpHJdv6>

We look forward to seeing you at the Neurodiversity Parent Hub event and hope to create a supportive and collaborative community for parents of our students.

Yours sincerely

Peter Dennett
