

16 June 2003

Dear Parent/Carer

I am writing to confirm that the school will be 'relaxing' the school uniform until the end of the summer term in line with the ongoing very warm weather.

Pupils may wear:

- Usual school uniform;
- Usual school uniform without their tie and jumper; or
- Springfield PE kit (black/white with logo only).

Kindly note that if pupils choose to wear their PE kit, they will need to bring with them suitable alternative clothes/kit in which to do PE.

Should pupils need a jumper, then this should be the school uniform jumper and not a different jumper/hoodie, please.

You will understand that for safeguarding reasons pupils must be identifiable as such; consequently, variations on the above are not acceptable. Pupils who do not follow these guidelines may be sent home to change and are subject to usual school procedures/sanctions relating to uniform.

In line with our Home-School Agreement we ask that parents/carers ensure that their child wears the correct uniform every day and thank you in anticipation of your on-going support in ensuring that your child meets the expectations as described above.

As you would expect, usual full school uniform expectations will be in place from the start of the autumn term.

Yours sincerely

Ms S F Spivey  
CEO – The De Curci Trust  
Headteacher – Springfield School
