

24th January 2023

Dear Parent/Carer

Re: Change of Date of the Year 10 Remote Subject Parents' Evening

The proposed NEU teacher strikes on Wednesday 1st February are likely to affect our capacity to successfully host the forthcoming Year 10 remote subject parents' evening.

For this reason, we have taken the difficult decision to move the evening to Tuesday 31st January 2023. The timings for the evening will remain the same and any existing booked appointments will be transferred to this new date. Should you wish to amend your bookings please do this via the SchoolCloud portal in the usual way and by following emailed links/notifications.

Please note that some appointments may no longer be available due to part time staff working days. In other cases, it may now be possible to meet with a specific teacher. All parents who have already made bookings should review these at the earliest opportunity. If you have yet to book, please do so at the earliest opportunity using the relevant email link. Please note that bookings will still close at midnight on 30th January 2023.

Yours sincerely

Mr J Wilburn
Deputy Headteacher
