Dear Parent/Carer

Year 11 Pupil and Parents' Study Skills Evening

Regrettably, our annual information evenings will not follow the usual 'on-site' format this year due to the risk-based limitations imposed as a result of the Covid pandemic.

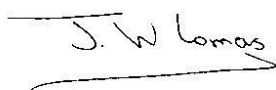

However, an audio-visual presentation will be made available from today by Portsmouth College who usually provide this evening for us. One of the distinct advantages of this style of delivery is that pupils and parents can watch at a time and pace of their choosing. I would encourage parents of Year 11 pupils as well as pupils to review the presentation as it contains information about how to prepare for exams and develop successful study skills. Consequently, parents/carers will be in a position to help support their son/daughter most effectively.

You will be able to view the audio-visual presentation by following this link:

Should you have particular questions following the presentation I would request that you make direct contact to the Portsmouth College team who would be pleased to answer any queries. You can do this by logging onto Facebook and following the Portsmouth College Facebook page. The live 'Q & A' will be between 6.30pm and 7.30pm on Tuesday 20th October 2020 on the Portsmouth College Facebook page.

Yours faithfully

Mr J Lomas
Head of Enterprise and Personal Development Learning
