

1st November 2021

Dear Parent/Carer

**Year 11 Pupil and Parents' Study Skills Evening:
Online on Thursday 11th November, 6.30-7.30pm**

Our annual Study Skills Evening will not be held on-site this year due to the ongoing restrictions in place to limit the transmission of COVID-19.

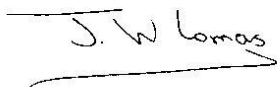

Instead, the school and Portsmouth College have collaborated to create a Google Classroom called 'Study Skills'. By clicking on the link below you can join the event on 11th November.

I would encourage parents of Year 11 pupils as well as pupils to join as it contains information about how to prepare for exams and develop successful study skills in the weeks leading up to the GCSE mock examinations. Consequently, parents/carers will be in a position to help support their son/daughter most effectively. You will be able to access the Study Skills Google Classroom by clicking on the link below:

<https://classroom.google.com/c/MzQ2NDU5NTQ1MTUz?cjc=ukbb3r2> or join class code: ukbb3r2

Pupils will be encouraged to join via the school's Year 11 PDL Google Classroom. I will be present online during the event. Parents/carers can send any questions they have via the 'chat' function on the Study Skills Google Classroom. Pupils can send any questions via this Google Classroom or the Year 11 PDL Classroom.

Yours faithfully

Mr J Lomas (Head of Enterprise and Personal Development Learning)
