

9 July 2024

Dear Parent/Carer

For the remaining two weeks of term we are conducting a pilot study of setting homework on ClassCharts for some subjects and classes. If your child's class is included in the trial, you will be able to see the homework set on ClassCharts, but please do not worry if you cannot see anything, as the usual homework will have been set on Google Classroom.

Yours sincerely

Mrs Goodship
Assistant Headteacher
