Dear Parent/Carer

### Year 8 Curriculum and Options Evening

Regrettably, our annual information evenings will not follow the usual 'on-site' format this year due to the risk-based limitations imposed as a result of the Covid-pandemic.

However, an audio-visual presentation will be made available from today. One of the distinct advantages of this style of delivery is that parents can watch at a time and pace of their choosing. I would encourage parents of Year 8 pupils to review the presentation as it contains information about choosing options. There will be a second options screencast in the spring where I will be outlining the mechanics of how to choose options.

You will find the screencast on the school's website under 'School Life' and 'Parents' Information Screencasts' or alternatively follow this link: <https://springfield.uk.net/index.php/school-life/supporting-numeracy-literacy-at-home>

Should you have particular questions following the presentation I would be pleased to answer any queries. Enquiries should be sent 'F.A.O. Mr Wharton' to [contact@springfield.uk.net](mailto:contact@springfield.uk.net).

Yours faithfully

Mr W Wharton  
Deputy Headteacher
