

Dear Parent/Carer

Year 9 Information Evening - Wednesday 14th September 2022

I am pleased to be writing to you regarding the arrangements for the forthcoming Year 9 GCSE Information Evening on 14th September. The evening will commence at 5.30pm with a presentation in the Main Hall.

The presentation is intended to provide parents/carers (and students) with further information about GCSE study and expectations in Maths and English, including how you can help at home. There will also be useful general information and a short safeguarding input. At the end of the presentation there will be ample opportunity for any questions to be answered.

We would be grateful if you could respond using the GoogleForm linked below to indicate your intention to attend and tell us how many will be in your family group. Please note that students are welcome to attend along with parents/carers.
