"AI MADE SIMPLE: SUPPORTING YOUR FAMILY IN THE DIGITAL AGE"

Discover how artificial intelligence can transform learning and everyday life for you and your child by joining our FREE webinar series, running in the summer term as part of the "Portsmouth: The Digital City" project.

Within these sessions, you will learn how to harness AI safely, effectively, and creatively at home, whilst also gaining top tips and nuggets of wisdom to empower your family in the digital age.

Each session is tailored to provide practical advice, easy-to-use tools, and insights into how AI can support education, inclusion, and everyday tasks for parents, carers, and children alike.

Don't miss this exciting opportunity to stay ahead in the digital world and help your family thrive! Sign up today!

SESSION DETAILS

Session 1: Introduction to AI – What Parents Need to Know

Get to grips with the basics of artificial intelligence. Learn what AI is, how it's shaping the world around us, and how your child may already be using it in their everyday life.

Thurs 01.05.2025

17:00 to 18:00

Session 2: Using AI to Support Your Child in English

Mon 12.05.2025

17:00 to 18:00

Explore AI tools that can help with reading, writing, and language development. From grammar checkers to creative writing assistants, discover ways to boost your child's confidence and skills in English.

Session 3: Using AI to Support Your Child in Maths

Maths doesn't have to be a struggle! Learn how AI apps and platforms can make learning maths more engaging, personalised, and effective for children at all levels.

Thurs 22.05.2025

17:00 to 18:00

PORTSMOUTH EDUCATION PARTNERSHIP | The Digital City Project | *Technology for children, technology for adults, technology for all*

SESSION DETAILS

Session 4: Supporting Children with SEND Using AI

4 Discover how AI-powered tools can break down barriers for children with special educational needs and disabilities (SEND). Learn about tailored technologies that support communication, organisation, and learning.
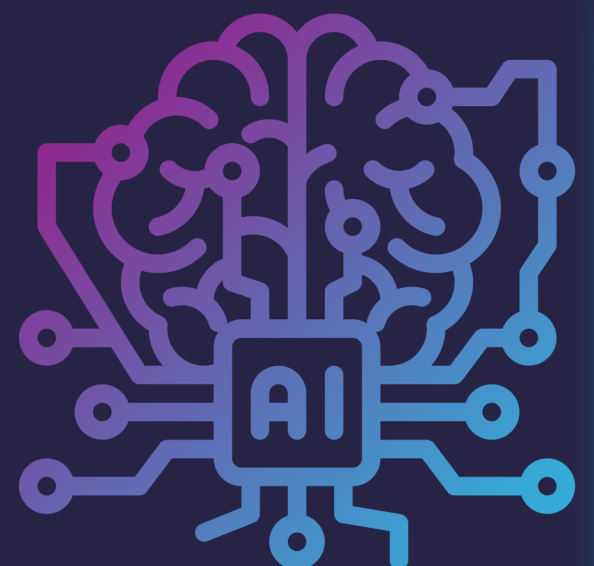

Thurs 05.06.2025

17:00 to 18:00

AI for Parents and Carers – Making Life Easier

Mon 16.06.2025

17:00 to 18:00

5 AI isn't just for our children! Find out how AI can help you as a parent or carer, from organising your schedule to meal planning and even improving communication with your child's school.

SIGN UP INFORMATION

Please register for the session (s) by using the form or the link below.

Sessions will be delivered via Microsoft Teams and parents/carers will receive invites to the link once the sign up form closes.

Each session will last 45 minutes with an optional 15 minutes Q&A opportunity at the end.

All sessions will be recorded and will be shared with parents/carers after the event has concluded.
