An Ambitious Curriculum

'I think you have provided excellent support for the Year 11s in the run up for their exams. I am so impressed by the extra lessons in Easter and May half-term ... all the teachers have been very supportive.'

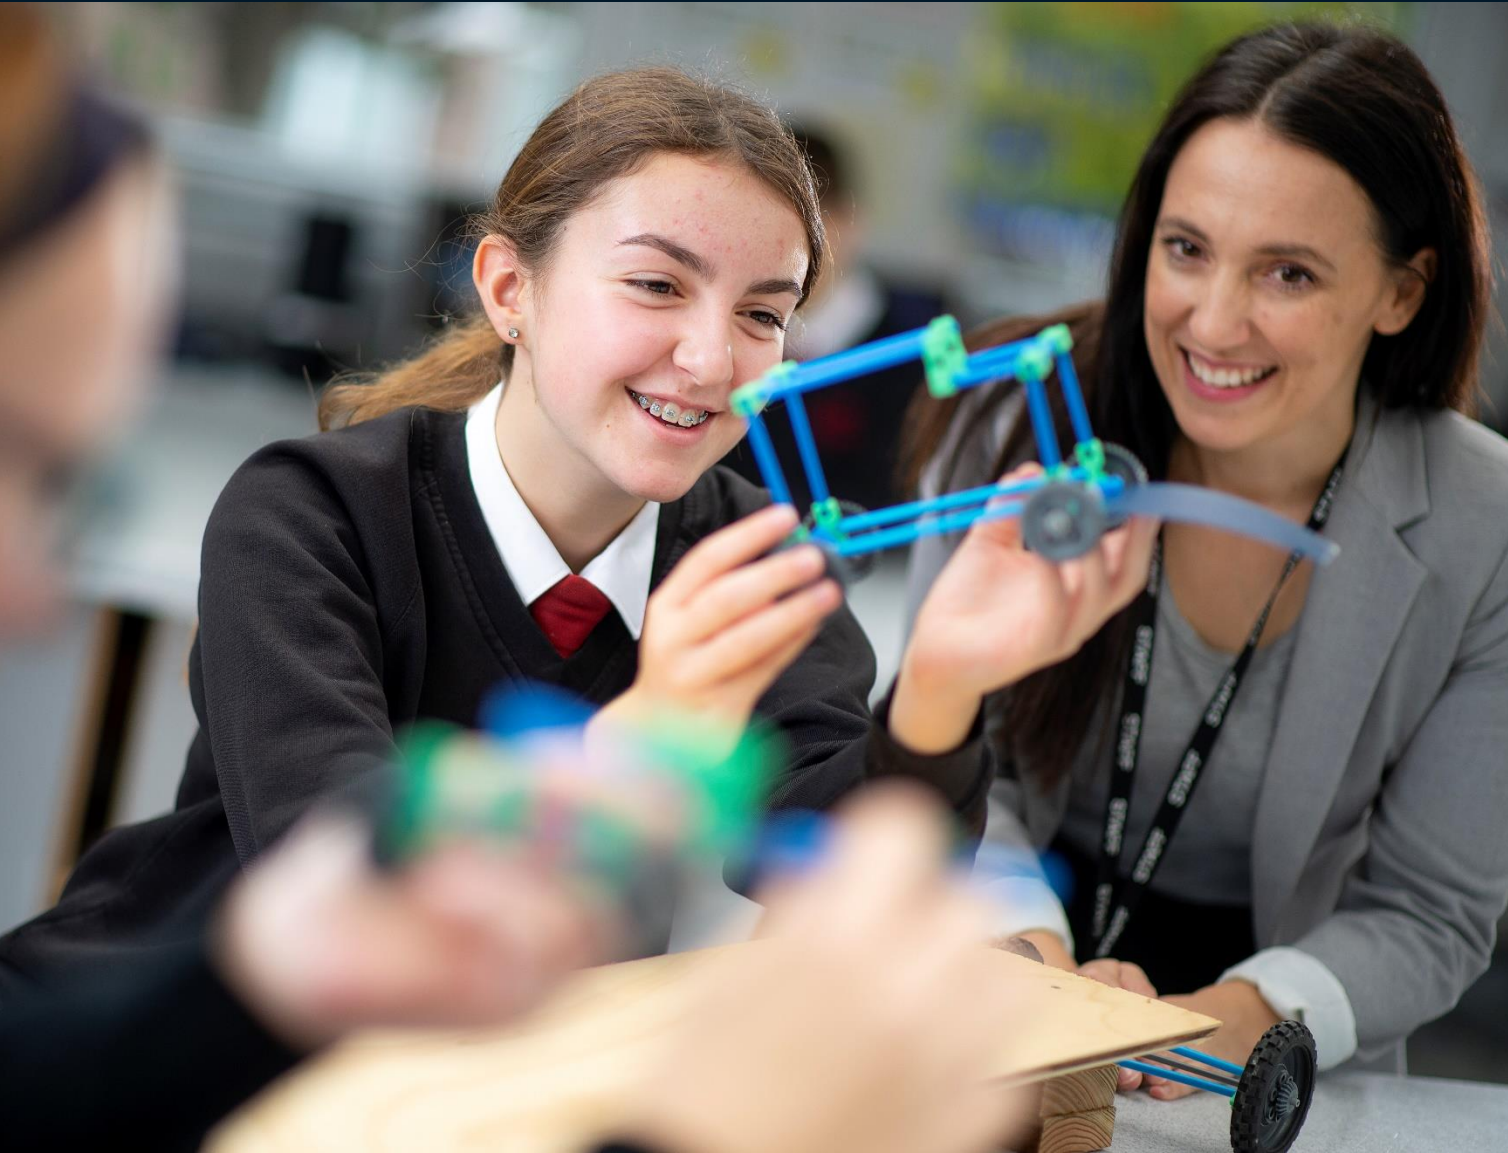

I don't think I could have asked for more from the school.'

Excellent Pastoral Care

'He has loved his time [at Springfield]! As many parents, I was nervous about [pupil's] transition from Primary to Secondary, particularly with him being the youngest in the year and knowing how much he loved ... Primary.

I needn't have worried. He's thrived at Springfield - both personally and academically. He's not once moaned on a Monday morning and always returns with a smile on his face - full of stories about positive things that have happened at school.

We can't thank you all enough.'
